We are writing to respond to your request for "... an opportunity to inspect or obtain copies of inspection reports and emergency action plans for all high hazard dams in poor or unsatisfactory condition related to dams owned or operated by the United States Navy."

After a thorough search of our files, it has been determined that the Naval Facilities Engineering Command has no records responsive to your request.

To do this, you would log in to your account, retrieve your original request, and then click on the "Create Appeal" tab in the left-hand column.
